Youth for Green Jharkhand

Assembly Speaker **Sri Rabindra Nath Mahato**, Chief Minister **Sri Hemant Soren** and Minister of Parliamentary Affairs **Sri Alamgir Alam** inaugurated the two day event on October 30. Members of the Legislative Assembly were also in attendance.

### **Sri Ramesh Bais**

*Hon'ble Governor*

“The full development of every nation and society depends on its youth power. The future of any nation, state and society depends on how dedicated it is, for the development of its youth and how much it invests in them. In such a situation, there will be long-term benefits from the organization of such a program by the Legislative Assembly.”

### **Sri Rabindra Nath Mahato**

*Hon'ble Speaker, Jharkhand Vidhan Sabha*

“Success without succession is not success with this thinking we selected university students because once you graduate, the responsibility of the whole society will be on all of you and we have realized that in the parliamentary system, if there is a lack of parliamentary knowledge in our people, then the expected benefits of the parliamentary system cannot be taken.”

## **Sri Hemant Soren**

*Hon'ble Chief Minister*

“Since it is through the Legislative and Parliamentary processes that laws are made which apply to the common people, policies are made and the country and the states are given direction. The understanding of these provisions is of critical importance in the current situation for our future generations, for our youth.”

## **Sri Alamgir Alam**

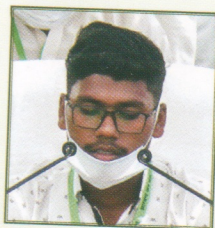

*Hon'ble Minister of Parliamentary Affairs*

“I would like to urge the Hon'ble Speaker to conduct more such events in the future so that citizens of the state can learn about our democracy, their rights, and the functioning of our Assembly.”

### **Oath of office and election to the office of the speaker**

The day's proceedings began with the Protem speaker administering the oath of office to the members. The student Chief Minister Ms. Preeti Kumari Vishwakarma then proposed the name of Ms. Daisy Lakra to be elected as the Speaker of the House. This was supported by the student leader of opposition, Ms. Nupur Mala, Women students in a remarkable precedent, took all three roles of the Speaker, the Chief Minister and the leader of opposition.

### **Question hour and motion to adjourn proceedings**

Students raised important matters such as cybercrime and rollout of the Pradhan Mantri Awas Yojana in the state during the question Hour. The student Leader of the opposition also moved a motion to adjourn the day's proceedings to discuss the hike in petrol and diesel prices. The motion was rejected to take up legislative business.

### **Introduction, discussion and passage of tree preservation bill**

The Jharkhand Preservation and Protection of Trees Bill, 2021 was introduced by the student Environment and Forests Minister Mr. Manish Kumar Mishra. During the debate on the bill, students from the opposition insisted on proper implementation of existing laws instead of bringing yet another bill. Members from the Treasury benches highlighted the need to balance economic development and protection of the environment. The opposition moved several amendments to strengthen the bill. One of these was accepted and the bill was passed.
